SUMMARY

I want to build software that solves real problems using AI — not just frontend interfaces, but full systems with intelligent backends. Pursuing M.E. Computer Science (B.E. CGPA 8.45/10) with hands-on experience in React, Node.js, and Python, and actively learning TensorFlow and FastAPI to close the gap toward production-ready AI applications.

SKILLS

Frontend Development :

- React, Tailwind CSS, JavaScript, TypeScript, Redux, Next.js, GSAP

Backend Development :

- Node.js, Express, Python

Database Management :

- MongoDB, SQL, Prisma,

Tools & Platforms:

- Git & GitHub, VS Code, Figma , Vercel, Render, Postman

PROJECTS

1 Pet Care App — UI/UX Design | Figma| Naan Mudhalvan Program

- Designed 10+ screen high-fidelity prototype covering onboarding, home, booking, and profile flows with a consistent design system
- Applied user research and design thinking: mapped user journeys, identified friction points, and restructured navigation to reduce steps to key actions

2 To-Do App – Web Application | HTML, CSS, JavaScript, React.js

- Built full CRUD task management using useState and useEffect hooks; managed state without Redux to keep the implementation deliberate and minimal
- Structured input, task list, and task item as separate components with single responsibilities, making each piece independently reusable

Education

M.E. Computer Science and Engineering (Pursuing)

Krishnaswamy College of Engineering and Technology, Cuddalore 2025 – Present

B.E. Computer Science and Engineering

Krishnaswamy College of Engineering and Technology, Cuddalore 2021 – 2025 · CGPA: 8.45 / 10

HSC – Class 12 (State Board)

Lakshmi Chordia Memorial Matric Hr. Sec. School, Cuddalore 2021 · 84%

SSLC – Class 10 (State Board)

Lakshmi Chordia Memorial Matric Hr. Sec. School, Cuddalore 2019 · 81.4%

COMPETITIONS & WORKSHOPS

- 1st Place — CODE CRAFT |Achariya College of Engineering Technology, Puducherry
- 3rd Place — CODE STORM |Manakula Vinayagar Institute of Technology, Pondicherry
- 3rd Place — WEB FAZHAN | St. Joseph's College of Arts & Science, Cuddalore
- Ethical Hacking & Cyber Security Workshop (2 days) | Manakula Vinayagar Institute of Technology

LANGUAGES

Tamil (Native) **English** (Fluent) **Hindi** (Basic)
